NATIONAL BSA
DIGITAL STORYTELLING WORKSHOP
May 8th – 10th, 2014
Hosted by LDS-BSA Relationships

**IMAGINE**
Imagine an army of Scouting volunteers armed with cameras, iPhones, tablets, and audio recorders, seeking and sharing the exciting stories of the Scouting Experience with families not yet part of this great movement in an effort to recruit more boys into Scouting! That’s the intent of the upcoming Digital Storytelling Workshop on May 8-10, 2014.

Participants will learn the basics of capturing “The Decisive Moment” in a photograph, as well as interviewing techniques and how to acquire great digital sound clips. Workshop attendees will be encouraged to be a resource to their local Councils, Districts, and Units sharing what they have learned and encouraging the creation and dissemination of memorable Scouting stories through social and other media.

**DATE, TIME & LOCATION**
The workshop will be held from 6:00 p.m. May 8th, beginning with dinner and ending May 10th at 5:30 p.m. at the BSA – Great Salt Lake Council Headquarters located at 525 Foothill Blvd., Salt Lake City, Utah.

The workshop will be presented by BSA National Staff and Volunteers and will focus on the “Art of Digital Storytelling” A highlight will be a field trip to the Tracy BSA Camp on Saturday where we will have the opportunity to shoot some compelling pictures and conduct interviews with youth at the NYLT session.
